

## Telecommunications Addendum

Boulder Financial Telecommunications has agreements with many different telecom providers including but not limited to local companies which provide telephone, internet, and cable. At the request of the owner, we keep all of these amenities in the owner or agent's name to ensure continual service throughout the property. You may request any of the following services at your rental unit/property by checking the below applicable services. Upon receipt, Boulder Financial Telecommunications will provide you a competitive quote of fair market value prior to the commencement of any services.

Upon the commencement of services, you will be billed to the following email:

\_\_\_\_\_ or by postal mail to the subject property address. Late charges will incur with any bills gone unpaid for more than 21 days or 3 weeks from due date, as such payment shall be considered rent in accordance with your lease. As a convenience, tenants are provided one bill for all telecommunications services requested. Contact Francoise at 720-327-3080 for install, customer service or additional information or instruction.

Boulder Financial Telecommunications is a separate company from Boulder Financial Realty, Inc. or Boulder Financial Property Management and all correspondence should be directed to the below address to the attention of Francoise Dimapouplas.

We appreciate your business and look forward to providing you exceptional service and immediate services upon move in. Some homes may additionally have security or house surround speakers, in which you may additionally request installation assistance for a nominal fee.

- \_\_\_\_\_ High-Speed Internet
- \_\_\_\_\_ Local Phone service
- \_\_\_\_\_ Long Distance phone service
- \_\_\_\_\_ Cable Television
- \_\_\_\_\_ DirecTV
- \_\_\_\_\_ Custom Network options
